

## OUR MISSION

*To improve community health, wellness and vitality including chronic kidney disease education, prevention and treatment*

## OUR ORGANIZATION

Bridge of Life (BOL) is a nonprofit organization founded by DaVita, Inc. and operating under DaVita Village Trust, Inc., a 501(c)(3) public charity. BOL serves thousands of men, women and children through four programs: kidney care, primary care, prevention and education, and kids' camps. BOL improves access to primary care and dialysis treatment in underserved communities around the world while also focusing on prevention of kidney disease through early-detection testing and education.

## OUR PROGRAMS

### Kidney Care

- Provides the equipment, start-up supplies and extensive training to empower clinical personnel to provide kidney care services in underserved communities around the world

### Primary Care

- Identifies health needs and connects local organizations and clinics to a diverse network of physicians and medical workers, improving primary healthcare across a broad range of services in underserved parts of the world

### Prevention & Education

- Provides basic health education and awareness in conjunction with rapid disease screenings in non-medical settings

### Kids' Camps

- Provides kids' medical camps with nurses, general practitioners, specialists, and non-clinical volunteers across a broad range of services as well as distribution of dialysis equipment and consumable supplies to children with kidney disease

## Since BOL's Inception in 2006 ...

- 100 international missions and CKD screenings
- 200 domestic CKD screenings
- 28 kids' camps sessions
- 23 countries
- 577 volunteers
- Over 77,000 lives impacted!

## Partner with BOL

### Volunteer

If you are a DaVita teammate, you can apply as a volunteer for a dialysis capacity mission, a primary care mission, a CKD screening, or a kids' camps session. To apply, visit <http://www.bridgeoflifeinternational.org/volunteer/>.
